INTRODUCTION

This volume contains citations of 60 technical/scientific articles published by scientists associated with the Department of the Navy, U.S. Naval Medical Research Unit No.3, Cairo, Egypt. The citation of Technical/Scientific articles are listed by reprint number and cross-indexed by subject and author.

This publication may be released to the general public. Additional copies of the Reprint Accession List and the listed reprints may be obtained from the Research Publications Section, U.S. Naval Medical Research Unit No.3, Fleet Post Office, New York, N.Y. 09527
